Richard Cavolo, D.D.S. '74

After graduating from Cathedral Latin in 1974, Rick attended John Carroll University. While a student there, he met his wife, Bernadette, a Notre Dame Academy alum. He graduated from Case Western Reserve University School of Dentistry. He has been in private practice in Highland Heights since 1981.

Rick's service to the Cathedral Latin Alumni Association spans three decades. He first became a trustee in 1976 while still in college. As was the case with many alumni,

General John Lavelle '34

General John "Jack" Lavelle was born in 1916, in Cleveland, Ohio. He attended Cathedral Latin School, where he was on the honor roll, played varsity basketball and was a member of Sodality. He graduated from John Carroll University in 1938.

In 1939 he enlisted as an aviation cadet in the Army Air Corps and received pilot training at Randolph and Kelly fields, Texas. He received his wings and a commission as a second lieutenant in June 1940. He returned to Randolph Field as a flying instructor and in

Greetings to all alumni, family and friends of Cathedral Latin School.

I hope everyone is making it through yet another record cold winter and that spring comes quickly for us all.

Speaking of spring, the Alumni Association's longest running and signature event, the Communion Breakfast, will be April 26 at the Wyndham Hotel following the 10:30 a.m. mass at St. John's Cathedral. This year's event holds special meaning to nearly all men who walked the halls of Cathedral Latin School. We will be honoring General John Lavelle '34 (deceased) a special posthumous 2015 Man of the Year award for his lifelong service to his country. General Lavelle is the highest ranking member of the military to have ever graduated from our alma mater and served in three wars. We encourage all alums who served in the armed services and those whose family members served to join us in celebrating the life of General Lavelle.

Also, congratulations to Richard A. Cavolo, D.D.S. '74 for being selected as the 2015 Man of the Year. Rick is a true man of the purple and gold. He is the son of Charles Cavolo, D.P.M. '38, brother of Charles Cavolo, III '64 and Daniel Cavolo, D.P.M. '69 and the parent of three NDCL graduates. Rick has been involved with our association for three decades, serving in every office — including President. He also participates in numerous events and serves on various committees. In 1996, he was presented with the Golden Alumni Award. This award is given to an alum who has rendered outstanding service to the Cathedral Latin Alumni Association. Rick also serves as a Trustee for the NDCL Board. He is only the second alum from the 1970s to earn our association's most prestigious award.

The Cathedral Latin Alumni Association would like to convey our thanks to all alums, family and friends for your continued support throughout 2014. Last year, 1078 alumni and friends contributed toward our annual

dues, which totaled \$47,275. Your generosity keeps the Cathedral Latin Alumni Association alive and well. Your donations help support our numerous events, including the project at the W.O. Walker Building — installation of doors on our archway along with a plaque mounted on the wall. We are also able to contribute to the Brother Frank Nurthen Endowed Scholarship and give to various fundraisers at Notre Dame-Cathedral Latin School.

The Association would like to extend our congratulations to the entire NDCL Athletic Department, coaches, student athletes and parents for having such a historically successful year in sports. The Lions have excelled in so many different sports that there are too many to mention here. Some of the highlights were volleyball winning state championship and our very own Brother Nurthen Scholarship recipient, Stephanie Williams '15, was named Most Valuable Player at the tournament. Also, the football team winning their first ever playoff game, boys cross country taking second in State and the hockey team winning the school's first ever Barons Cup. Consider going out to the school and catching one of the sporting activities. The Lion pride lives!

Finally, we have several events coming up that I hope you will consider attending: NDCL Lion Mane Event 3/28/15, NDCL Legacy Day 4/24/15, Communion Breakfast 4/26/15, NDCL Reunion Reception 6/05/15, Cathedral Latin Golf Outing 6/26/15 and Annual Trustees Meeting 6/08/15.

the closing of the school in 1979 was devastating to him. He vowed that he would do whatever he could to see that the name and memory of Cathedral Latin would continue. Rick was among a core group of alumni that negotiated the affiliation agreement with the Sisters of Notre Dame in 1987 to create Notre Dame-Cathedral Latin School. He was elected president of the alumni association in 1988, the year the formation of the new school was celebrated. Previous to serving as president, Rick was the secretary of the association. He has served on and chaired several committees over the many years.

In 2008, Rick became a member of the Notre Dame-Cathedral Latin Board of Directors. He felt urged to join out of gratitude for the many blessings his family has realized through the school. Their three children, Rick, Jr. and wife Jennifer (both 2001), Steve (2005) and Marie (2008) are proud NDCL graduates. Rick states, "We couldn't be happier with the experience our children had at NDCL. They were excellently prepared for college and their faith was wonderfully nurtured during those years." Steve and Marie are officers in the NDCL Alumni Association and Jennifer is also a member of the NDCL Board of Directors.

Rick has a proud lineage of Cathedral Latin relatives. His father, Charles, graduated in 1938 and his brothers, Chuck

and Dan graduated in 1964 and 1969 respectively. His great uncle, Frank Catalano, MD, was in the class of 1927. In addition, Bernadette had six uncles that all were Latin graduates.

Other organizations that Rick has been active in over the years include the Northeastern Ohio Dental Society. This is the local affiliate of the American Dental Association. Rick has served as treasurer and president. In addition, he currently is active at the state level with the Ohio Dental Association.

The Cavolo family has been actively involved with the Boy Scouts for many years. In 2005, Rick and Bernadette received the Silver Pelican award for their years as counselors for religious medals. In 2006, members of Troop 195 in Chesterland contributed to have a James A. West Endowment Award presented in Rick's name in appreciation of his many years of volunteer service. However, the ultimate award for Rick and Bernadette was seeing their two sons become Eagle Scouts.

Rick and Bernadette have been married 33 years and reside in Munson Township. Their children all live in the area as well. Their first grandchild Richard Charles, arrived late in 2013. The Cavolos are all active members in their parish, the Church of St. Anselm in Chesterland.

1942 was assigned as part of a cadre to open Waco Army Air Field, where he served as squadron commander and director of flying. During World War II he saw combat in the European Theater of Operations, where he served with the 412th Fighter Squadron flying P-47s.

In January 1946 he was assigned to Headquarters Air Materiel Command at Wright Field, Ohio, as Deputy Chief of Statistical Services. When the U.S. Air Force was established as a separate Service in 1947, he was one of the two Air Force officers who negotiated with all seven Army Technical Services and wrote the agreements for the division of assets and the operating procedures to be affected during the buildup of the Air Force. He was assigned in October

1949 as the Director of Management Analysis and later as the comptroller of the Far East Materiel Command at Tachikawa Air Base, Japan. During the Korean War, he was commander of the Supply Depot at Tachikawa. He was awarded the Legion of Merit for the reorganization of the theater supply system and the establishment of a procedure for control of the transshipment of supplies direct from the United States to Korea.

In November 1952 he was assigned as commander of McGuire Air Force Base, N.J., and the 568th Air Defense Group. During his tenure there, the Military Air Transport Service facilities and air terminal were constructed and

McGuire Air Force Base became an East Coast aerial port. When the base was transferred to MATS, he became the MATS Transport Wing commander. While at McGuire Air Force Base, he established a community relations program which did much to ease the problems that normally befall an area where a military installation grows from approximately 1,500 to 10,000 personnel. General Lavelle is still considered an honorary citizen of many of the small communities around McGuire and an honorary member of the local Lions International and Kiwanis Club.

He attended the Air War College in 1956-1957 and then spent the next five years at Headquarters U.S. Air Force as deputy director of requirements; secretary of the Weapons Board; and deputy director of programs. While in the Pentagon, he was principally responsible for the reorganization of the Air Force Board system and the establishment of program control through the Program Review Committee. He was awarded an oak leaf cluster to his Legion of Merit at the end of this tour of duty.

General Lavelle went to Europe in July 1962 as deputy chief of staff for operations, Headquarters Fourth Allied Tactical Air Force, NATO comprised elements of the German, French and Canadian and the U.S. Air Forces in Europe. For his accomplishments while in this headquarters, he was awarded a second oak leaf cluster to his Legion of Merit and the "Medaille de Merite Militaire" by France. In September 1964 General Lavelle was assigned to Headquarters U.S. Air Force as the director of aerospace programs, Deputy Chief of Staff for Programs and Resources. As director, he was principal backup witness in presenting and defending Air Force programs to the Congress. In addition, he served as chairman, Air Staff Board, and as chief, Southeast Asia Programs Team.

Command of the Seventeenth Air Force, headquartered at Ramstein Air Base, Germany, was General Lavelle's next assignment in July 1966. Seventeenth's operations spanned Germany, Italy and Libya. In this position, General Lavelle commanded a versatile, combat-ready force equipped with supersonic jet fighters and tactical missiles with nuclear, conventional and air-to-air capabilities. In December 1967 General Lavelle was assigned to the Defense

Communications Planning Group located at the Naval Observatory, Washington, D.C., where he served as the Deputy Director for Forces. In February 1968 he assumed duties as the director of the Defense Communications Planning Group.

General Lavelle was assigned as vice commander in chief, Pacific Air Forces, with headquarters at Hickam Air Force Base, Hawaii in September 1970. He served in that capacity until assuming command of Seventh Air Force on July 29, 1971. In March 1972, General Lavelle was removed from command as a result of allegations that he ordered unauthorized bombing missions into North Vietnam, and that he authorized the falsification of reports to conceal the missions. He was retired in the grade of major general, two grades lower than the last grade he served on active duty.

In 2007, newly released and declassified information resulted in evidence that General Lavelle was authorized to conduct the bombing missions. In light of the new information, a request was made to the Air Force Board for Correction of Military Records (AFBCMR) for reinstatement to the grade of general, his last grade while on active duty.

In 2008 the Air Force Board for Correction of Military Records agreed and further found no evidence General Lavelle caused, either directly or indirectly, the falsification of records, or that he was even aware of their existence. Following the AFBCMR decision and recommendations from the Secretary of Defense and Secretary of the Air Force, General Lavelle was nominated posthumously by the President to the Senate for advancement on the retired rolls to the grade of general. The Senate Armed Services Committee (SASC) returned the nomination with a request for additional review in 2010. That review is ongoing as of this date.

General Lavelle died of a heart attack on a golf course on July 10, 1979. He is survived by his beloved wife Mary "Jo" Lavelle also of Cleveland, and his proud and devoted children, Barbara Lavelle Foster, Jere Lavelle Enloe, John D. Lavelle, Jr., Patricia Lavelle Evans, Michael J. Lavelle, Timothy W. Lavelle and Dennis K. Lavelle.

Cathedral Latin Archway at W.O. Walker Building

On Saturday, December 20, 2014, Ben Carlozzo '71, Frank Hlad '68, Joe Nista '64, Terry Roncagli '77, Joe Spagnuolo '61 and Chip Tighe '79 met at the William O. Walker Building to finish a project which originally started over a decade ago — the dedication of Cathedral Latin's archway to the school. Although Cathedral Latin School was torn down in 1981, the archway of the school remains at the W.O. Walker Building. The archway was moved into the atrium when the building was built. It's quite a bit north of the original position and turned the opposite direction. The archway would be around the extreme north edge of the old Latin auditorium, about halfway or more toward the gym away from East 107th Street.

Beautiful replica wood doors were installed under the archway, along with door handles. These doors were made by Joe Nista and we appreciate the hours he spent to design and build them. A plaque, designed by Tom Ashdown '62, was also installed on the wall which designates the school's impact in Cleveland. Frank Hlad spent many hours with the W.O. Walker board members negotiating the general design of the exhibit and Jim Ptacek '60 also helped as a consultant. We are told the Latin exhibit completed the building's atrium and the board members are thrilled.

We would like to thank the committee members for all of their time and effort they provided for this project. We urge you to visit the archway at the W.O. Walker Building to see for yourselves the finished product. You can enter off Stokes Boulevard — the old East 107th Street. It's sure to make you a proud graduate of Cathedral Latin School!

Joe Nista '64, Ben Carlozzo '71, Chip Tighe '79, Joe Spagnuolo '61, Frank Hlad '68 and Terry Roncagli '77 met at the W.O. Walker Building to install the doors & plaque.

Clinton Jones '63

Elected to College Football Hall of Fame

The National Football Foundation (NFF) & College Hall of Fame announced on January 9 the 2015 College Football Hall of Fame Class, which includes the names of 15 FirstTeam All-America players and two legendary coaches. Clinton Jones is among that list of players. The inductees were selected from the national ballot of 75 All-America players and six elite coaches from the Football Bowl Subdivision and the 87 players and 25 coaches from the divisional ranks. He becomes the eighth Spartan to enter the College Football Hall of Fame.

Clinton Jones at MSU

A two-time First Team All-American, Jones finished sixth in the 1966 Heisman Trophy voting, and he was a two-time consensus First Team All-Big Ten selection. The Cleveland native led the Spartans to back-to-back Big Ten championships in 1965 and 1966, and he set conference single-game records for rushing touchdowns (4) and

rushing yards with 268. Jones led Michigan State in rushing as a junior and senior, and he finished his career as the school's second all-time leading rusher with 1,921 yards and 20 touchdowns. Coached by College Football Hall of Famer Duffy Daugherty, Jones led Michigan State to a 19-1-1 record and a berth to the 1966 Rose Bowl during his career while playing alongside Hall of Famers Bubba Smith, Gene Washington and George Webster.

While at Michigan State University, Clinton played against former CLS teammates Larry Kaminski '62 and Jim Faflik '62 (Purdue) and Terry Mulligan '63 and Rich Somodi '63 (Iowa). Mulligan states, "I have such great respect for Clinton, in spite of the fact that racial diversity was just emerging, he handled himself with grace and class during a difficult time in our history. We remain great friends to this day. "

The second overall pick by the Minnesota Vikings in the 1967 NFL Draft, Jones spent six seasons with the Vikings and one final season with the San Diego Chargers. He helped the Vikings reach Super Bowl IV and finished his NFL career with 2,178 rushing yards and 20 touchdowns as well as 5,035 all-purpose yards.

In 1972, Jones was inducted into the Cathedral Latin Hall of Fame. He was also inducted into the Michigan State University Athletic Hall of Fame in 2012. After his playing career, he received a Doctorate of Chiropractic from Cleveland Chiropractic College in 1979. His civic awards include the 1966 Big Brothers of America "Big Brother of the Year" Award and the 1981 Spinal Column Stressology Research Society Special Achievement Award.

Jones currently owns Jones Chiropractic Wellness and Sports Rehabilitation Center in Lake Balboa, California and runs it with his wife, Rosielee. They have five daughters – Dywana, Stephanie, Tiffany, Shani and Cara Ren.

Clinton Jones and wife Rosielee

The induction ceremony will take place December 8, 2015 at the 58th NFF Annual Awards Dinner in New York City's historic Waldorf Astoria.

We congratulate Clinton Jones on his induction into the College Football Hall of Fame!

NDCL's Chapel Renovation in Gratitude to the Sisters of Notre Dame and the Cathedral Latin Alumni Association

The renovation of NDCL's chapel is being undertaken in gratitude to the Sisters of Notre Dame of Chardon, Ohio, and the Cathedral Latin Alumni Association for the creation of Notre Dame-Cathedral Latin School in 1988. It will be named Annunciation Chapel in honor of Mary, the patroness of the sponsoring Congregation, the Marianists Brothers and NDCL. The school's patronal feast will be celebrated on March 25, the Feast of the Annunciation.

The special niche to honor Mary will house a statue of Mary familiar to many Latin alumni since it once stood in front of the Brothers residence at CLS. That beautiful statue of Mary and Jesus is now the focal point of the Mary Garden in front of NDCL. The Italian designer is

able to reproduce the statue in the size needed for the renovated chapel.

A \$400,000 goal has been set for the renovation of the chapel, sacristy and campus ministry offices. NDCL's Board of Directors has once again judiciously required that full funding is pledged or gifted prior to beginning construction. A tentative completion date is fall, 2015.

Alumni, families, and friends are invited to support and consider a naming gift. This is a key opportunity to give a gift in memory of loved ones or in honor of students or alumni. To discuss your gift or any of these naming opportunities, please contact Keven Krajnak '98, Director of Advancement, at 440-279-1068 or keven.krajnak@ndcl.org.

Bishop A. Edward Pevec 1925 – 2014

Bishop A. Edward Pevec '43 passed away on Sunday, December 14, 2014 at the age of 89. Pevec served as a priest for 64 years and became well known for his humility and kindness. He was ordained a priest in 1950, serving initially at St. Mary Catholic Church in Elyria. From there, he handled a variety of teaching and pastoral roles in the diocese.

He led parishes, taught students and groomed future priests at Borromeo Seminary. In 1982, Pope John Paul II named him an auxiliary bishop of Cleveland and later became an auxiliary bishop emeritus in 2002. Reports said he was the first person of Slovenian descent to become a bishop in Cleveland.

After graduation, Pevec attended the Sacred Heart Seminary in Detroit and St. Mary Seminary in Cleveland. He obtained post-graduate degrees from John Carroll University and Case Western Reserve University. He served at St. Mary, then later St. Lawrence Catholic Church on East 80th Street, which has since closed. He then led students at Borromeo Seminary High School as a teacher, assistant principal and principal. In 1975, he became pastor at St. Vitus Parish and was there for four years.

Pevec returned to Wickliffe, becoming the rector-president of Borromeo College. He stayed there until Pope John Paul II named him an auxiliary bishop, a role that essentially means the assistant to the bishop. He served churches in the diocese's eastern region, primarily in Cuyahoga, Lake and Geauga counties. He will be remembered in our prayers.

The Golden Chalice

After his death, we were notified that Bishop Pevec willed a beautiful gold chalice to NDCL – a chalice that had gone missing for decades. In the early 1940s, a group of mothers of servicemen and graduates of Latin

banned together to establish a suitable memorial to honor those who had given their lives for their country. Donations were sought to obtain a special chalice to be used to celebrate Mass in the school chapel. The response was so overwhelming that a chalice of gold and encrusted with jewels was commissioned. This chalice was used at Cathedral Latin until its closing and will now be used at this year's Communion Breakfast. We are

thrilled that the once lost chalice is now here for use at our special alumni events.

† IN MEMORIAM †

Our thoughts & prayers are extended to families who have lost loved ones.

Marianists Leaving Cleveland, Ohio

On Sunday, June 21, 2015, St. Aloysius-St. Agatha Parish will be hosting a farewell luncheon program "Celebrating the Spirit of the Marianists" at the Patrician Party Center, 33150 Lakeland Blvd., Eastlake, Ohio from noon to 4:00 p.m. to give the departing Cleveland Marianist Community a proper send off. They will also be developing a souvenir program book for the collection of lasting memories and messages of encouragement, support and thanks. If you want to share any memories, notes or pictures, please send an email to debra.peck_stalsparish@yahoo.com.

The Marianists have contributed to our lives, our parishes, our schools and our communities. They were

the mainstay at Cathedral Latin School and we are grateful for the Marianists education. Over 100 Marianists came from Latin.

We have been blessed to have them in our lives and wish them all the best in their future endeavors.

The Marianists will be departing Cleveland, Ohio this year.

Golf Outing – Friday, June 26

It's been a cold and snowy winter, but let's warm up to the idea of attending the annual Golf Outing. It will be Friday, June 26 at Grantwood Golf Course, 38855 Aurora Road in Solon. The driving range will be open at 8:30 a.m. followed by a shotgun start at 9:30 a.m. Winking Lizard will serve a delicious lunch at the turn, followed by a rib and chicken dinner at 3:00 p.m.

Cost is \$120 per golfer, which includes driving range, golf with cart, lunch, dinner and beverages. If you would like to attend dinner only, the cost is just \$35.

We encourage you to secure your reservation by June 1 and mail a check made payable to **CLAA** to the alumni office or register online by credit card.

This is our only fundraiser for the alumni association. Each year we look for hole sponsors for this event. It's a great way to advertise and show your support. The cost is only \$125 for a purple and gold sign on the golf course. For more information, please call Sue Wise.

We look forward to another great outing!
