

Judge Edmund Turk named Latin Man of the Year

In recognition of a lifetime of public service and civic endeavors, Edmund Turk, '43, has been chosen to receive the highest honor of the Cathedral Latin Alumni Association, the Merit Award, for 2006.

The annual Merit Award is given to one who by his conduct and example has brought renown to Cathedral Latin School in his chosen field of endeavor.

Ed's mother wanted him to attend CLS because she was impressed by the Society of Mary when his older brother went to Latin. After graduation from CLS, he served in the military from 1943-46. He earned an undergraduate

degree from John Carroll University and went on to receive a law degree from Cleveland Marshall Law School, after which he practiced general law.

He entered the public service arena and was elected to six successive terms in Cleveland City Council in the 1960s and early 1970s, ultimately serving as president of the Cleveland City Council in 1972-73. He later chaired the Public Utilities Commission of Ohio and was a member of the governor's cabinet in 1973-75. In the 1980s he served as a member and vice president of the Cleveland Civil Service Commission, the Cleveland Zoning Appeals Board, and a Cleveland Municipal Court judge.

In general service to the community he has been active in many local, county, and state commissions and councils: the Charter Review Commission of the City of Cleveland, the Cleveland-Cuyahoga County Criminal Justice Coordinating Council, the Governor's Commission on Energy, the Energy Advisory Council, the National

Association of Regulatory Commissioners, and the U.S. and Canadian Energy Supply Committee.

Turk has been active in St. Vitus Parish and Slovenian-American cultural affairs for his adult life.

He and his wife, Linda Sue, who now reside in Mentor, have been married for 33 years. They have a daughter, Elizabeth, and two grandchildren.

Greetings alumni and friends.

Greetings to alumni and friends of Cathedral Latin School. I hope by the time this reaches you that spring will be in the air wherever you may be.

I would like to congratulate Edmund Turk '43 for being selected as this year's Merit Award recipient. I encourage you to make plans to attend our annual Communion Breakfast being held this year on April 23 where we will honor Ed.

The two other annual events we sponsor are the Athletic Hall of Fame induction (September) and the golf outing (June). Those who attend always have a great time. Please plan on attending one of these events this year.

In September of this year it will be 90 years since the doors of Cathedral Latin School were opened in Cleveland. Guided by the leadership of Cleveland Bishop John P. Farrelly the school was established in 1916 at Hitchcock Hall that is now part of Case Western University. The school relocated to 107th St. in 1918 when the new school building was completed.

Cathedral Latin School graduated about 11,000 students with 1979 as its last graduating class. We

consider anyone who ever attended Cathedral Latin School an alumnus. We have over 5,515 alumni and friends on our current mailing lists.

This year also marks the 150th year that the Marianist have been involved with education in the Cleveland diocese. Cathedral Latin School was one of the major Catholic institutions that the Marianist supported during those years. The Marianist held a ceremony at St. Patrick Church on Cleveland's near west side on Jan. 22, 2006.

In case you did not know, the school arches that surrounded the front doors are part of the lobby of the W.O. Walker building on 107th St. (now Stokes Blvd.) and Euclid Avenue. Many pieces of the marble and granite from the school hallways along with wood flooring from the gym are part of the architecture of the Primo Vino restaurant on Mayfield Road in Little Italy.

Much more detail of the history of Cathedral Latin School will be available by the end of this year in our new book. It will be an excellent read and enlighten you on many great things about the school you never knew. The Alumni Association, trustees and History Book Committee thank all those who made contributions with book

sponsors, pre-orders and general donations.

I would like to again thank all of you who contributed to our annual dues for 2005, which amounted to \$38,932 from 1,227 contributors. We cannot keep the organization alive without your support. This amount was one of our largest in many years. We encourage your support and participation in any way you can. The honor roll of all 2005 dues contributors is included

in this issue of the Alumnotes.

I encourage you to join me in our effort to increase the Brother Francis Nurthen Scholarship Fund by sending your checks to the Cathedral Latin Alumni Association

or NDCL School made payable to "NDCL - Bro. Francis Nurthen Fund." Earnings from the Brother Frank fund are used to finance eight renewable scholarships of \$1,000 to students at NDCL (two in each grade level). We would like to grow our legacy at NDCL which will allow the future leaders of tomorrow to make a Catholic education more attainable.

Thanks for continuing to be caring Christian people of our world and always keep that Latin Pride!

-Chris Lynch '75

A new Alumni Association Membership Committee will kick-off its 2006 membership drive with an all 1970's decade reunion.

All former Latin students who were members of classes 1970 through 1979 are invited to attend a reunion to be held on Aug. 12 at the Notre Dame-Cathedral Latin School campus. Those who would have graduated in classes 1980, 1981 and 1982 are also invited.

The reunion will be held on the same day that NDCL holds its annual alumni-sponsored Football Kick-Off Cookout to introduce the football team. Exact time and details of the event are still in the planning stages. Watch for further information and details in a future mailing.

The purpose of the Membership Committee is to seek out and recruit all former Latin students to become dues-paying members and to increase our roster of trustees. Although the Alumni Association remains vital and strong some 27 years after the closing of our alma mater, the trustees recognize the importance of reaching out to all alumni – especially those from the classes in the 1960's and 1970's – to bring in new guys and fresh ideas.

The next several years will hold many new challenges for the association, which is entirely self-funded and relies on membership dues and donations to maintain its existence and help preserve the traditions and memory of Cathedral Latin School.

The board of trustees is made up entirely of volunteers who are committed to keeping the association alive through its events, newsletter, scholarships, and support for Notre Dame-Cathedral Latin School. However, many of our trustees and members are well into their golden years and their participation in alumni activities is slowing down. A strong commitment is needed from alumni

from the later years to continue the remarkable success of the Cathedral Latin Alumni Association.

Many younger alumni have enjoyed the newsletters over the years or attended class reunions. Our golf outing continues to sell out every year and is largely attended by guys from the 1960's and 70's. It continues to be the largest fundraiser for the association next to dues collection. It is time for many of us in the later classes to consider the importance of dues membership and active participation in the Alumni Association.

The Membership Committee is chaired by trustees **George Werling** '47 and **Ernie D'Amato** '48 and includes trustees from classes in the 1970's.

The committee has met to generate ideas on how to best reach out to alumni from the later years to gather interest in membership and in becoming a trustee. The possibility of creating new events or committees that would appeal to younger alumni is being discussed and we are seeking input from non-trustees.

We are presently searching for alumni from the 1970's to join us in planning this reunion and membership drive for 2006. Students who would have graduated in classes of 1980, 1981, and 1982 are also welcome.

Perhaps you or a former classmate you know have ideas or have had conversations on how the association can be of better service to you. Your input and ideas are important and we invite you to join the membership committee and share your thoughts and ideas.

Anyone interested in participating in the reunion or joining the Membership Committee are welcome. Please contact either **Terry Roncagli** at 440-543-6185 or **Rick Cavolo** at 440-285-8528.

NDCL forensic speech team earns first state qualifier

Junior Patrick McDonnell and sophomore Sean Cahill led the NDCL forensic speech team.

The NDCL Forensic Speech Team traveled to North Olmsted Feb. 4 for the Cleveland District Tournament of the Ohio High School Speech League.

Team captain junior Patrick McDonnell entered the tournament as the fourth seed in impromptu speaking. At the end of the day, when the "smoke has cleared," Patrick had tied for second place, which qualified him to represent Notre Dame-Cathedral Latin and the Cleveland District at the state finals in Canton in March. He is NDCL's first ever state qualifier in forensic speech.

Patrick McDonnell is a Bro. Frank Nurthen Scholarship winner and great-grandson of Cathedral Latin alumnus William Pierce '31.

Sophomore Joe Fogarty, who had never competed before, stepped in to fill a slot, keeping the team at full strength. Sophomore Sean Cahill had his best competition of the season, narrowly missing being named a state alternate by a single point.

Cathedral Latin history book project nears completion

After two years of compiling information from numerous sources such as newspapers, yearbooks, Latineers, graduates, archives, and other sources of interest, Dominic LoGalbo, '50, chairman of the History Book Committee reports that the manuscript (1916-79) has been recently completed by author Gene Gibbons, '44.

The proofreading and editing of the manuscript is nearing completion by the committee of Tom Meaney, '47, Tom O'Connell, '47 Bob Grisanti, '36, Pat Hyland, '76, and Dominic LoGalbo, '50.

Pictures from all the above sources

have been scanned and will appear throughout the book. The committee has tried to highlight as many of the various activities as possible that portrayed the spirit that was unique to Cathedral Latin School during its 61 years of existence.

Interviews and reflections of a num-

Members of the History Book Committee include (front row) Dominic LoGalbo '50, Pat Hyland '76, Bob Grisanti, '36 (back row) Terry Roncagli, '77, Tom Meaney '47, Ernie D'Amato '48, John Winter '53 and Gene Gibbons, '44.

ber of Latin men have been included by Gibbons which will be of great interest to everyone. They will tell why they came to Latin, and some unique

stories about how they came to the school and others about the values they not only learned, but also how these values stayed with them throughout their lives.

Recently a letter was sent by LoGalbo asking for sponsors to help underwrite the cost of the book which is expected to be over 300 pages. If enough money is raised from sponsors, it might be possible to include some color where appropriate. Sponsors of \$1,000 (Gold), \$500 (Purple), or \$100 or more, which are tax deductible, or any other amount you wish to contribute can be sent to the Alumni Association office.

For details, contact Dominic LoGalbo at 330-467-1700, or logalbo@netzero.net.

As soon as an accurate date is determined when the book will

be published, an announcement and order information will be sent to all alumni.
