Changes on the Horizon

Our Alumni Association remains strong both functionally and financially. There are, however, some needed schedule changes on the horizon.

In order to make things a little easier relative to the administration of our organization, the following changes will go into effect immediately:

- The annual dues mailing will occur in April instead of January. This starts in 2024.
- Our annual Communion Breakfast will now be held in the Fall – the next one is September 22, 2024 at St. Noel Church in Willoughby Hills.
- This year, we will begin again to have our own Hall of Fame Ceremony – independent of NDCL's event. Our 2023 HOF event is Saturday, October 14. We will honor four inductees – Emmett Dowling, Jr. '34 (deceased), Jim Faflik '62, Leo Burby, Jr. '70 (deceased) and Jimmy Murphy '71. Details can be found on our website at www.clatin.com.

Our golf outing this year was another sold out success (about 147 golfers). The event is our only fundraiser every year and we really do appreciate your participation and support.

Our annual Communion Breakfast and Man-of-the-Year Awards Ceremony was a tremendous success with 163 guests attending. It was held at St. Noel Church in Willoughby Hills. This venue is good for us being located near I-90 and SOM Center Road with dining facilities connected to the church. We expect to continue to hold the event there in the future.

We'll keep you up to date on future events and we hope that you're all staying safe and healthy. Please know that you are all in our daily thoughts and prayers. Thanks again to Sue Wise, going on her 23rd year of support for our organization. Without her support, most of our organizational events (and this Alumnotes newsletter) would not be possible.

CHANGE FOR DUES MAILING January to April

The annual dues mailing for 2024 will be mailed out on **April 1** (instead of January 1). Please mark your calendar.

4 Inductees to Join Athletic Hall of Fame

Emmett Dowling, Jr. '34

The term ‘Student Athlete’ could have been first coined to describe Emmett Dowling’s four years at Cathedral Latin, with “Student” coming first. For example: Emmett made the honor roll his freshman year at Latin and remained an honor student all four years. He was in the Latin Club his sophomore year. The French Club was started his senior year, so he joined that club too and was honored with the French Club’s Student of the Year Award. The Debate Club was also introduced his senior year, so Emmett joined that club. He found time to play the violin in the school orchestra all four years. He was a member of the Cheerio Boys musical group for three years and a class officer his junior year. During his senior year he was awarded the Religion Award.

Emmett was an accomplished speed skater, in fact, a six-time Ohio state champion. He won the Cleveland City Championship and a number of other big competitions. The “History of Cathedral Latin School” book shows a picture of him in full-speed skating attire with several trophies. The caption reads: “State ice skating champion Emmett Dowling poses proudly with his plaque and trophies won at the highest level of skating competition.”

Emmett enjoyed a highly successful stint on Latin’s varsity tennis team his junior and senior years. His senior year, wearing the purple and gold, Emmett teamed with junior Leo Monroe, advancing to the Ohio State Championship Tournament in Columbus, Ohio. They did not win the doubles team crown, but their performance remains the furthest a Latin tennis doubles team has ever advanced in the Ohio High School Men’s Tournament. Emmett’s tennis experience at Latin laid the foundation for his involvement in this sport for the rest of his life.

Not only did Emmett continue playing tennis, but in the 60s, as an active and influential member of the Cleveland community, he was very instrumental in bringing tennis’s prestigious international team competition, the Davis Cup, to Cleveland, Ohio. He was close friends with Bob Malaga ’45 and worked closely with him to successfully achieve this goal. For example, several international tennis stars stayed at Emmett’s house in Cleveland Heights to help facilitate their competing at the newly built state-of-the-art Harold T. Clark tennis courts at Roxboro School where the Davis Cup matches were played.

Emmett served as the head referee during multiple Davis Cup competitions. As the head referee, he sat on the court just below the referee and served as the moderator and judge who had the final word in any and all disputes. His ability to speak Spanish made him a natural to be the moderator when the Mexican Davis Cup team came to town.

After graduating from Cathedral Latin, Emmett attended Western Reserve undergraduate and law school. Upon graduation, he worked a few years for a local law firm. After that, he served as an agent in the FBI. It was during this time that he met his wife, Eileen Tyler. They had six children – Emmett III “Pat”, Brian, Dennis, Chris, Mike and Kelly.

Upon leaving the FBI, he was hired by Youngstown Steel Door, a company which he became president of at the young age of 39. He was then invited to be in the prestigious YPO (Young President’s Organization) – an international organization of presidents of multi-million-dollar businesses. During this time, he was very active in the Cleveland community, serving on a number of boards from the Cleveland Clinic to United Bolt and Screw, and Parkview Savings and Loan.

At age 49, Emmett was diagnosed with leukemia and, tragically, died less than two months later.

Emmett always spoke proudly of his days at Latin and the many important lessons he learned there. His kids always said that it seemed like Emmett knew everyone in town, which, undoubtedly, was based on the many friends he made at Latin. It was this experience at Latin that paved the way for Emmett to have such a successful career.

Jim Faflik '62

Jim grew up in Eastlake, Ohio and attended Immaculate Conception grade school in Willoughby, Ohio where he honed his football and basketball skills in the CYO athletic programs.

When deciding what high school to attend it was between Cathedral Latin and that "other" Marianist school - St. Joseph High School - which was much closer to his home. With the help and guidance of his parish priest Fr. Leon Kitt, Jim decided to choose Cathedral Latin.

As was the common practice for many students attending high school in the Greater Cleveland area in the 1960s, hitchhiking was the means of transportation back and forth to school. That's exactly how Jim made his 40-mile round trip during his freshman and sophomore years at Latin.

As an athlete Jim played on some of the best football and basketball teams in the history of Latin during his career. He was a four-year starter as an offensive and defensive end in football.

His freshman football team was undefeated with an 8-0 record. They had a rock-solid defense which went unscored upon in the first five games. Offensively they outscored their opponents 204-28. During his junior varsity year they again went undefeated with an 8-0 record and outscored their opponents 242-44. An amazing 16-0 two-year record.

During his junior and senior varsity years they were the East Senate Co-Champions culminating by playing in the 1961 PD Charity Game for the City Championship vs Holy Name High School. Their four-year record of 29-5-1 rates as one of the best in school history.

Jim's fondest Latin moments include: playing in the Plain Dealer Charity Game; the classic 8-8 tie game vs St. Joe's; intercepting a pass in the East High game and returning it 63 yards through the sleet, mud and rain only to get stopped at the one-yard line; and the camaraderie among his teammates.

Another memory is Jim's best friend from grade school, John Blakemore, captain of St. Joe's football team, getting carted off the field during the game. That has led to some good-natured ribbing amongst them for the past 60 years.

Jim was All-East Senate on both the *Cleveland Press* and *Cleveland Plain Dealer* teams.

Jim also was a starter on the basketball team 3 of his 4 years – freshman, sophomore, and senior. He was a leading rebounder, strong defender and team player. His freshman basketball team had a 15-2 record, which was one of the best in the history of Latin.

Jim was an outstanding student and athlete which led him to receive a full athletic (football) and academic scholarship to the prestigious Purdue University.

While at Purdue he played on teams that were nationally ranked. A few of his teammates were future NFL players such as Larry Kaminski '62 and Bob Griese who went on to notable careers.

Jim received a degree in industrial management from Purdue University and in 1966 went to work for Packard Electric in Warren, Ohio.

In 1982 Jim moved to El Paso, Texas continuing to work for General Motors in Juarez, Mexico. He retired after 38 years but continued to be a part-time consultant.

Jim and his wife Nan, whom he met in college, have been married for 56 years. They have three children – Julie, David and Jonathan.

Jim and Nan have been involved with Borderland Missions of Mercy for 15 years. This organization helps provide needy children a safe and secure supportive environment.

Jim joins his 1962 teammates Bob DeSapri, Larry Kaminski, Rick Myslenski and Ray Paglio.

Leo Burby, Jr. '70

Leo was a 2-year varsity football letterman (1968-69) and started both ways his senior year at defensive end and offensive tackle. In Latin's 1969 season opener against Akron St. Vincent, the *Plain Dealer* heralded his outstanding performance by writing: *"The Cathedral Latin defense, led by co-captain and middle linebacker Kevin McGrath and defensive end Leo Burby, led the Lions to a 6-0 victory over Akron St. Vincent at St. Edwards Field last night."* Leo also had two fumble recoveries in this contest and was a huge factor in limiting St. Vincent to 70-yards total offense.

Leo was the recipient of the *Plain Dealer Dream Team Award* (Honorable Mention for his outstanding play vs. Steubenville Central Catholic in 1969). He also earned *All Crown Conference Defensive End* along with senior defensive back Joe Blaszk '70 and senior linebacker Kevin McGrath '70. These players were the only three Lions so honored in the toughest conference in northern Ohio.

While on the football field, Leo played his best against the best. In Latin's second game (September 12, 1969) vs. St. Ignatius, starting linebacker Ray Andrews was across a first-team all-state offensive tackle. Ray asked Leo in the first quarter, "Leo, can you slide over and take on this beast? He's killing me!" Leo responded "Sure". The result was Leo had a great game with 14 tackles – several for a loss – but Latin lost a heartbreaker in the last few seconds by a score of 8-12.

Leo was a member of Latin's Student Council and Dress Code Review Board member. He lettered on the Freshman and JV basketball teams and played intramural sports all four years.

During Leo's four years at Latin, tensions in the school neighborhood in general were high. Anyone who knew Leo recognized his highly protective nature of what he loved: family, friends and Latin. Leo protected the school and underclassmen from harm several times. He would say to the bullies, "If you want to pick on somebody, try me." No one was foolish enough to accept his challenge.

After graduation, Leo was awarded a full Division I NCAA Football Athletic Scholarship to Xavier University. While there he was a 3-year starting defensive end. He was the only Freshman singled out for his outstanding game play. Leo's senior year final game performance culminated in the team's victory vs. The University of Toledo and achievement of a 5-5-1 overall record. Leo sacked the Toledo quarterback on two consecutive plays as time ran out on their final drive, ensuring the victory for Xavier. Head Coach Tom Cecchini's comments on Leo's

performance included: "Exceptional" and "Leo has a heart bigger than his voice or his body - no one works harder on execution." Burby stood at 6'4" and weighed 210 lbs.

In August 1971, Leo along with Xavier teammates Bob Powell

(Cleveland Central Catholic '70) and Mike Price (Lakewood St. Edward '70) took their turns taking on Victor the Wrestling Bear right before the start of the season. Victor took on all comers as part of a promotional event held at the Schott Buick Dealership on Montgomery Road in Cincinnati. Victor was a formidable opponent - 7' tall and 600 lbs. at the time – and an undefeated wrestler. (Anyone could try to pin Victor if they signed the waiver of liability paperwork.) But to no avail as none of them lasted more than a few minutes before Victor pinned them. Leo's teammates who were there still talk about it to this day as one of the gutsiest and most entertaining sports competitions they have ever seen in their lives.

Leo graduated from Xavier in June 1974 with a Bachelor of Science degree in Business Administration. In July 1975, he lived in Akron, Ohio. One day he and his friends went to a local lake to go swimming. Leo dove into the water, not noticing a submerged rock. This caused him to break his neck and completely paralyzed him. He sank to the bottom

Leo Burby, Jr. '70 (cont'd from page 5)

holding his breath. His friends saw the accident and dove to the lake bottom, found him and brought him to shore.

A series of surgeries to restore his limb movement were not successful. Over the next several months Leo's physical condition deteriorated and his weight dropped considerably. He died from a heart attack 13 months after the accident on August 26, 1976. He left behind his parents Leo, Sr. and Elizabeth and his siblings Camilla, Paula, Brian '71 and Dennis.

On November 22, 1996, during Xavier's Homecoming Weekend, President James E. Hoff, S.J., presented Leo with a posthumous Presidential Citation. Father Hoff made this significant award to Leo on the request of his coaches, teammates and fellow Xavier alumni. The award was made 20-years after Leo's death and reads as follows: *In memory of his outstanding achievements in football, his strength of character and rare courage, his unyielding loyalty, intensity and faith. We celebrate his exuberant spirit, lion heart and passion for life.*

Jimmy Murphy '71

Jimmy was a leader on the football field. Earning two varsity letters, he was a two-way starting fullback and linebacker senior year and a starter as fullback and tailback junior year. During his senior season, he was team captain.

Highlights from his senior season include:

- A 38-yard touchdown run in the team's first victory over Steubenville Central Catholic.
- In the Chanel 22-0 shutout game, he scored 20 points, gained 101 yards and made 16 tackles (10 solo & 6 assists) in what the *Catholic Universe Bulletin* called "a 48-minute marathon performance." Because of this outstanding performance, he made the *Plain Dealer Dream Team & Cleveland Press PresStar* Honors.
- In the thrilling 24-22 win over Crown Conference Champ St Edward, he scored 8 points (a TD and a 2-point conversion) and gained 47-yards in 4 consecutive plays (i.e., a 22-yard reception & three consecutive runs for 25-yds.).
- He was the team's leading scorer with 40 points which was a big part of the reason for Latin's second-place finish in the tough Crown Conference.
- He was named All-Crown Conference along with teammates Jim Baron '71, Terry Lavelle '71 and Bill Thompson '71. These lions were the only team members so honored in Northern Ohio's toughest conference.
- He was also named Most Valuable Back at Latin's post-season football banquet.
- Senior year he was named Special Mention All State.

In addition to playing four years of football at Latin, Jimmy was on the freshman track team and a starting point guard on the freshman and JV basketball teams. He also served as Latin's Sophomore Class President.

After graduation, Jimmy attended the University of Dayton and played football during his freshman year. In 1975 he graduated with a degree in Business Administration and returned to the Cleveland area. Jimmy has been a successful businessman as a long-time owner and operator, along with his brothers, of the Schulte & Mahon-Murphy Funeral Home in Lyndhurst and Chagrin Falls, Ohio.

Jimmy had three brothers who also attended Latin – David '66, Dennis '69 and Dudley '72. His father Dave (wife Mollie) also attended Latin and graduated in 1925.

Jimmy is a devoted husband to Madeleine and father of four grown children – Kevin (Morgan Haggerty), Bridget (Marcel Uhrich), Danny and Mary Kate (John Barrett) and grandfather of 11. He and Madeleine are long-standing members of Gesu Parish in University Heights where they reside. Jimmy has maintained his Latin friendships and been active in several alumni events.

Communion Breakfast honored Tony Musca '51 & Dr. Al Musca '53

Over 160 guests attended the 71st Annual Communion Breakfast on Sunday, May 7 at St. Noel Banquet Center in Willoughby Hills, Ohio. Mass was celebrated by Fr. Ted Marszal '60, at St. Noel Church at 11:00 am followed by the ceremony. The room was decorated with purple tablecloths along with purple/gold flower centerpieces. A delicious breakfast buffet was enjoyed by the guests.

Brothers Tony Musca '51 and Al Musca, MD '53 were the merit award recipients and each received a beautiful plaque. This award is given to someone who distinguishes himself in his chosen field of endeavor in a manner that brings renown to Cathedral Latin School.

The Class of 1973 were also honored on the occasion of their 50th anniversary along with the Class of 1953 who celebrated 60 years.

Congratulations to Tony and Al for this well-deserved honor!

L'Arche Houses in Cleveland

Father Jim O'Donnell '48

Article written by John McCann '81

Ever since Fr. Jim O'Donnell can remember, every day his mother would gather the family together to pray the rosary. It was her way of instilling a strong prayer life within her children.

Fr. Jim's father, a builder who immigrated to the United States from Ireland, would once tell him as he looked proudly upon Cleveland's iconic Terminal Tower (which he had a hand in building), "Jimmy, this building is my prayer. I don't do this work to please some foreman, I do this because of my love for God and that's why I work so hard."

From that memory, Fr. Jim recalls having learned that everything we do, we do out of gratitude for God and for all the blessings we've received from Him. Perhaps this simple example from Fr. Jim's childhood illustrates more than anything the many and diverse ways that we pray, and that we aren't limited to simply one form of prayer.

An early riser, Fr. Jim would attend daily morning mass as a child, not because he had to – "it wasn't a chore," he recalls – but because he wanted to. He realizes not all people find it as easy but thinks one of the reasons why he did is because for him (in a house full of siblings), it was a time of peacefulness and contemplation to get away from the stresses of something that may have been bothering him at the time, like worrying about taking an exam.

For Fr. Jim, being in the presence of the Eucharist at Mass made him feel closer to God, and to Jesus. As he says, "I enjoyed that feeling and that experience. Probably more than just a feeling; just something I literally enjoyed doing."

It is no surprise, then, that Fr. Jim received the calling to the priesthood during his First Communion. He recalls, "I thought about being a priest from the time I made my First Communion. I felt a call at that time. I was very imbued early on with this love for Christ and love for the priesthood that it never left me."

He noted that some people briefly feel the call, but by the time they get through high school, they decide against the priesthood. Jim's father encouraged him to have a normal high school experience, so Fr. Jim attended Cathedral Latin. He loved his experience at Latin, made many friends, and even dated occasionally. Nonetheless, that seed was planted in him May 8, 1937, and it never left him. Fr. Jim was ordained a priest in 1956 and never looked back.

Fr. Jim will often refer fondly to “his children,” which is usually and understandably a surprise to people that don’t know him – but as the years have gone by, Fr. Jim often forgets this and casually speaks of the foster children he has helped raise as if they were his own blood. The idea for a foster program started about 40 years ago, as a way to help youth who were experiencing abuse and neglect at home. So, one day Sister Maggie Walsh-Conrad, a local nun, asked Fr. Jim if he would be open to taking in some foster children. He recalls, “there were too many of these kids being hurt, and perhaps we can help them in some way. So that’s how it began.” Through his work at the Community of Little Brothers and Sisters of the Eucharist, which he and Sr. Maggie formed to serve Cleveland’s Central neighborhood, and the Central City Ministry with the Poor, Fr. Jim and Sr. Maggie have helped raise 14 children into adulthood.

Fr. Jim’s lifetime list of accomplishments is long but include the following:

- Served the parishes of St. Coleman, St. Mary’s.
- CYO director and Chaplain for a Woman’s Prison.
- Worked in India with Mother Teresa and Jean Vanier.
- Worked in the fields with migrant workers.
- Established four L’Arche homes for people with disabilities which he referred to as “communities of love.”

For more than 32 years, Fr. Jim lived and worked in the Central neighborhood. All throughout that time, the Community of the Little Brothers and Sisters of the Eucharist provided a ministry of presence to the poor of the neighborhood. The Community was instrumental in bringing Habitat for Humanity to the Central neighborhood, which helped build nearly 600 new homes.

The campus ministry center at Notre Dame Cathedral Latin is named after Fr. Jim, which continues the legacy of great Latin men leading the next generation *in deed and in truth*.

Fr. Jim officially retired from active priest duties in 2018 and currently resides at Ennis Courts in Lakewood. He is a Cleveland treasure and a proud graduate of Cathedral Latin School.

1971

Tom Catliota won the coveted Green Jacket at Madison Southwest in Austin, Texas. The Green Jacket is awarded to members of the Class of 1971, and friends, who shoot the lowest score over multiple day Madison golf tournaments, sponsored by the Goat Track Hills Club. Green Jackets have been awarded in Ohio, Florida, Maryland, California, Michigan, Ireland and now Texas. Prior winners from the Class of 1971 include Paul Kolb, Pat Lamb, Jim Murphy and Steve Toth, along with Latin friends Grant Joyce and Jim Krivanek. The prestige of the event cannot be overstated.

Congrats to Tom!

Sunny Skies for Golf Outing

Our annual golf outing was Friday, June 23 at Grantwood Golf Course in Solon, Ohio. We had another sold-out group of golfers. Each golfer was given a custom designed long-sleeve black t-shirt sporting the purple/gold charging lion.

The Winking Lizard served up delicious hotdogs at the turn followed by a great BBQ chicken and rib dinner served in the outdoor pavilion.

The 50/50 raffle collected \$7,000! This raffle was opened to all alums – not just the golfers. Seven winners each went home with \$500. We would like to thank the winners who donated their winnings back to the alumni association.

Congratulations to the winning team – Frank Cardinale '68, Bob Monitello, Sandeep Nuchikat and Ed Salem. They took home first place by shooting 61 (10 under). They each received a plaque from Minotas Trophies and a dozen golf balls.

The golf outing event is our *only* fundraiser for our alumni association. This year we raised over \$18,000! This couldn't have happened without the support of our hole sponsors - especially Mike D'Amato '79, owner of Nissan of North Olmsted who each year sponsors a sign on every hole – “Are you Kiddin' Me!” We greatly appreciate every donation.

Make sure you mark your calendar for next year's outing – Friday, June 28, 2024. We hope to see you there!
